To Whom It May Concern,

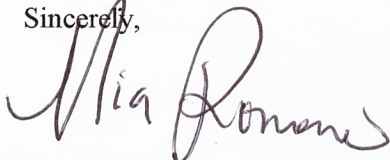

This letter serves to recommend Eduard Grubman for employment. I worked with Eduard at MySale Group for 10 months where he held the position of Buying Team Support and where I served as the companies Human Resources Generalist and Payroll Manager.

Over Eduard's tenure with the company he demonstrated incredible managing skills, efficiency and implemented much needed organization parameters to our companies Accounting Department.

Eduard joined our company during a difficult period within the company, however he continuously impressed us with his knowledge in accounting, implementation of procedure for payment procurement and his advanced skills on multiple computer programs. Through his hard work and continuous innovations he was able to build his department.

It was a pleasure to have Eduard in the office and to have worked with him. He is a great asset to the company and should he ever choose to leave would be a great asset to any other company.

Sincerely,

**Mia Romero**  
**HR Generalist & Payroll Manager**
